Seeking an entry-level diesel mechanic position to build upon basic maintenance skills and solidify a career in the diesel industry.

## EXPERIENCE

**MARCH 2021 – OCTOBER 2021**

**MAILROOM INSERTER**, GANNETT PUBLISHING SERVICES

Responsible for feeding preprints into insert machine hoppers neatly and accurately; monitoring insert machines to reduce malfunctions; removing completed bundles and preparing for next step in packaging/delivery; performing general clean-up of papers, skids, and debris that accumulate on a daily basis.

**NOVEMBER 2019 – AUGUST 2020**

**RESIDENTIAL ELECTRICIAN**, KLINE ELECTRICAL

Learned trade from the master electrician and completed all assigned duties. Identified, analyzed, troubleshooted, and assisted with repairs of equipment and electrical faults. Traveled to various residential and commercial properties to assist the master electrician. Interpreted blueprints and schematics and maintained work logs, client accounts, etc. Ordered replacement parts/equipment as needed. Completed electrical installations and various maintenance duties. Communicated with clients in a professional, courteous manner regarding their job requirements. Collaborated with construction workers, plumbers, and various other trades.

**ADDITIONAL EXPERIENCE:** Control Panel Wireman/Mounting Technician at Keystone Electrical Manufacturing Company (2015-2019).

## EDUCATION

**FEBRUARY 2022**

**DIESEL TECHNICIAN/MECHANIC**, AMERICAN DIESEL TRAINING CENTERS
