Seeking an entry level diesel mechanic position to build upon basic vehicle maintenance skills and develop a solid background in diesel mechanics.

Skills

- Brakes, Electrical, Emissions, PMI, Diagnostics, and more
- Able to safely operate a vehicle and its cargo
- Accurately perform pre- and post-trip inspections
- Skilled in customer service
- Problem solve/logistics to avoid any disruptions in transportation
- Comply with all DOT regulations

Experience

AUGUST 2019 – DECEMBER 2019

Package Handler / UPS (Atlanta, GA)

Responsible for safely and efficiently offloading packages from incoming shipment trucks, trailers, etc. Maintained a safe, clean work environment. Worked according to company standards to ensure satisfaction. Experience lifting, lowering, and sliding packages for storage and transportation, sometimes requiring heavy lifting. This position required physical stamina and time management skills.

Education
